

A Tree Can Be...

A tree can be...
A place to play,
A place to rest,
A place to hide,
And a place to nest.

A tree can be...
A place to swing,
A place to fly,
A place to climb,
And a place to keep dry.

A tree can be...
A place full of food,
A place full of sound,
A place full of life,
That changes year-round.
