night

Last year, I had to move to a new country. 10

I had to move away to France. We now 19

live on a farm with sheep and goats. I 28

have lots of chores on the farm. One thing 37

I must do is fork the hay that we sell at the 49

store. The little hens look at me when I do 59

it, and it makes me laugh. After I do my 69

chores, I like to sit on the porch and watch 79

the bright stars in the night sky. It's such a 89

sight to see! 92
