Mark Sees the Stars

by Cam Flynn • illustrated by Monika Filipina

One day Mark got a call
from Gramps.

“I need a big boy to help
me on the farm.”

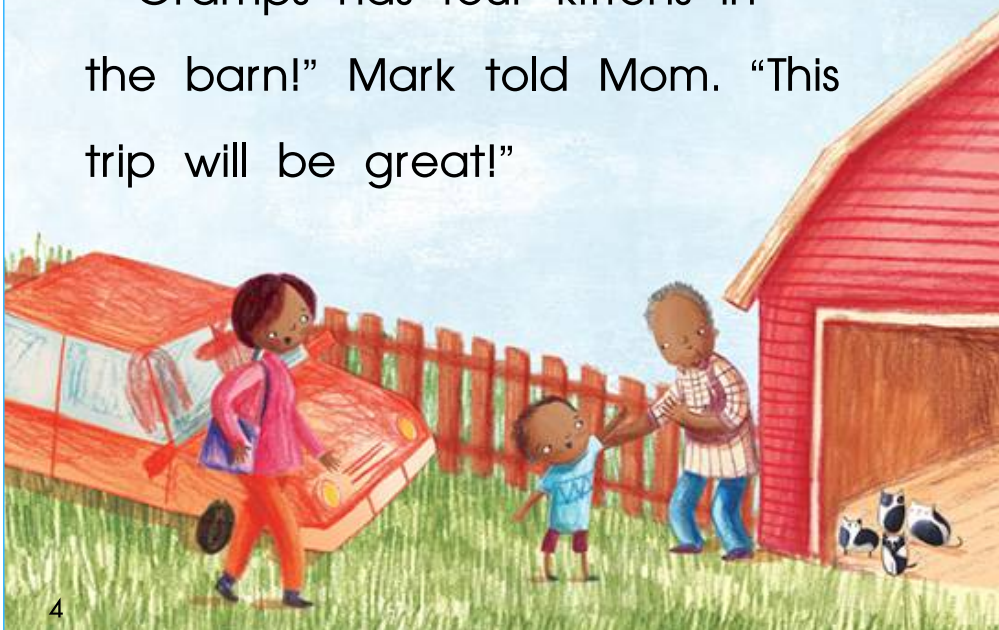

The next weekend, Mom and
Mark got in the car.

“I will miss the subway. I will
miss this city.”

Gramps hugged Mark.

“Gramps has four kittens in the barn!” Mark told Mom. “This trip will be great!”

4

When Mom left, Mark waved from the yard. The city seemed far away. Gramps told Mark to look up.

5

Mark gazed at the dark sky.
“This sky is not the same,” said
Mark. “I see too many stars.”

“The stars are the same,”
Gramps said. “A city has bright
lights. They make it hard to see
the stars.”

The next night Gramps and Mark sat in the city park. Mark held his new kitten. He named it Star!
