

Expand Simple Sentences

Simple sentences are statements with a single subject and a verb or action word. You can expand simple sentences by adding details or extra information.

I like to read.

I like to read **books about horses**.

Choose a detail from the box to expand each simple sentence. Write it on the line.

a cow	of fresh milk	after milking	a farm	to the barn
-------	---------------	---------------	--------	-------------

1. We visited _____.
2. The farmer took us _____.
3. We milked _____.
