There are many things that people in our 8
 country like, but one thing they like the most is 18
 pie! I love a nice apple pie. I could eat it 29
 again and again and again. My mom and dad 38
 might make pie about once a week. They use 47
 good, ripe apples and a thick, round pie pan. 56
 We eat the pie outside as we watch the stars 66
 in the night sky. They are so bright, they light 76
 up the sky! 79
